DESIGNED FOR BRAND PROMOTION

• RETAIL • HEALTHCARE • HOSPITALITY • CORPORATE • FOOD & BEVERAGE

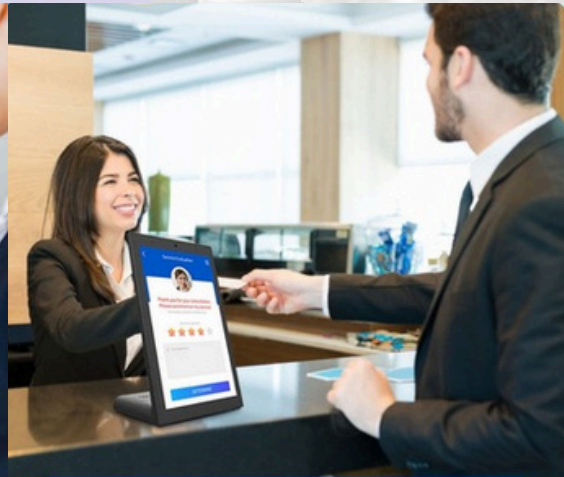

- Retail – Promotions, product details, up-selling & cross-selling at cashier desk
- Hospitality – Welcome messages, event highlights at reception area
- F&B – Digital menus, seasonal promotions at cashier
- Corporate – Company profile, announcements, safety reminders, QR for registration
- Healthcare – Queue info, service details, educational content

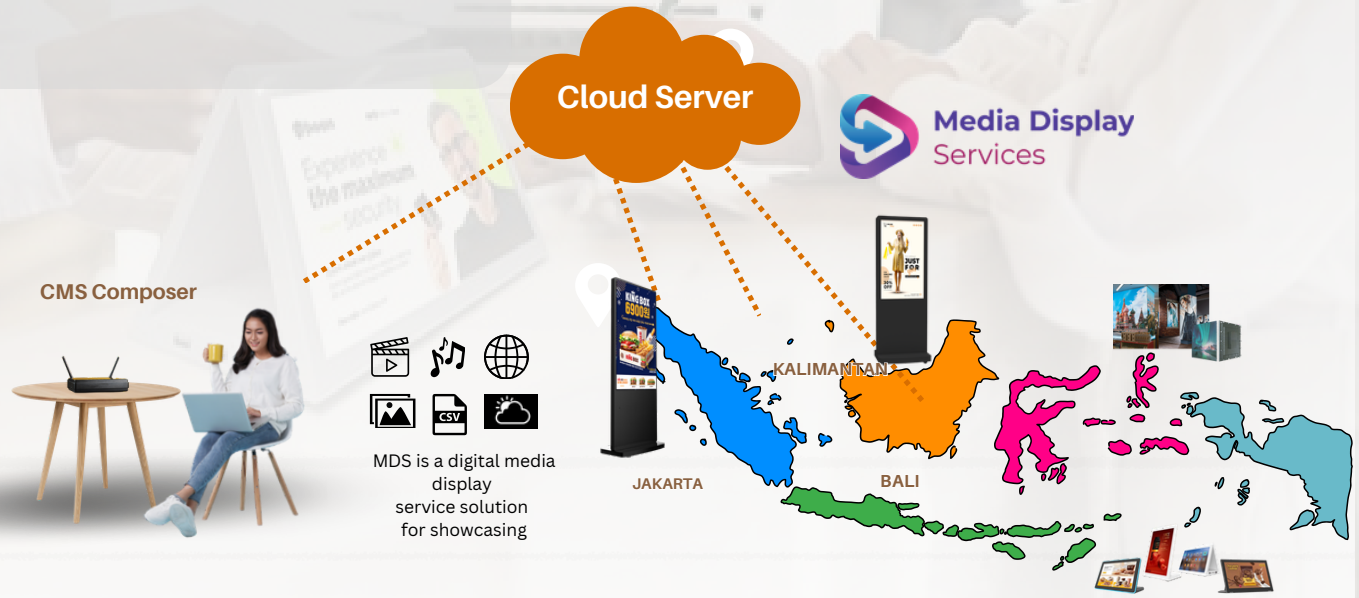

WHY SHOULD DIGISIGN DESKTOP SMALL DISPLAY?

- Print Less, Save More with a one-time digital investment.
- Improve Your Sales by displaying newest promo at payment counter (increase up-selling & cross-selling).
- Cost-effective digital communication compared to posters or print (reduce usage of flyer & brochure).
- Dynamic content (support playlist of video, images & running text) with additional Digisign Play subscription software
- Compact size with big impact!

Our Content Management System
DigiSIGN Play

Transform your counter, desk, or reception into a powerful digital communication hub with our DigiSIGN.
